## DESIGNED TO MAKE A DIFFERENCE...

New Hope Logistics is a company designed to make a difference.

NHGL's General Manager is J. David Ford, who is also founder and director of New Hope Children's Foundation .

New Hope Children's Foundation is a non-profit organization providing humanitarian aid to thousands of children in Central America.

New Hope Global Logistics donates 15% of all profit towards providing food, clothes, shelter, education and medical assistance to needy children in Nicaragua.

Every time we move your freight, you are making a difference in the lives of children.
